

YOUTH STATE BIBLE DRILL

October, 2015

Dear Bible Drill Conductors:

Attached are the forms and information needed to conduct your Youth Bible Drill. Additional copies may be made or create to fit your need for drills. Please send completed information from your Association by April 8, 2016.

This year the state drill will be held at 1800 Pear Orchard Road, (Northside Baptist Church) in Elizabethtown as a ONE day event on Saturday, April 30, 2016. Registration will begin at 9:30 a.m. at the back of the church and first drill will begin at 10:00 a.m. A workers' meeting will be held at 9:00 a.m.

We will try to schedule the drill time of your participants based on travel distances if the information is received in time. We suggest you make motel reservations early (in late December or early January) as the new sports park will be hosting several weekend tournaments during the spring season. You can always cancel unneeded rooms.

Volunteer workers be needed and any help will be greatly appreciated. Experienced judges, conductors, timers, help to register, direct attendees to rooms, compile scores are just a few. Please email or call Ramona at the contact information below if you are willing to serve.

The High School Drill and Speakers Tournament events (on the same day) are being coordinated by Robby Adkins, Owenton. Please contact him with questions concerning these events. The Children's Bible Drill is being coordinated by Diane Kiser -606-679-6408.

Thank you for your continued work with the Youth in Bible Drill in Kentucky.

YOUTH BIBLE DRILL

Youth Bible Drill is a church event for youth in grades 7 through 9. Participants develop skills in using their Bibles—locating books and verses, memorizing passages, and locating passages with doctrinal and ethical concerns. The learned material will become a part of the youths and they will gain poise and confidence by responding to drills calls with speed and accuracy.

The material used for the 2016 drill will be Cycle 2, Blue Cycle.

The KJV and the Holman Bible will be used and provided at State level.

CHURCH DRILL:

Date is set by individual churches. To advance to the Associational Drill, a participant must score at least 180 points (total from all four judges) in the church drill. Individual churches are responsible for sending all qualified person; information to the Association Drill at least two weeks prior to the event.

ASSOCIATIONAL DRILL:

Contact the local associational office for the location, date and time for the drill. Participants must score at least 225 points (total from all four judges) in the associational drill to advance to the State Drill. Associations should send all qualified participants' information to the contact person listed below at least 2 weeks prior to the State Bible Drill date.

STATE DRILL:

The 2016 Kentucky State Youth Bible drill will be at Northside Baptist Church, 1800 Pear Orchard Road, Elizabethtown on Saturday April 30, 2016. Participants who score at least 250 points will be declared state winners. Youths who have a perfect score (300 points without bonus points) and those who are three year state winners will be recognized. Drill times on Saturday will be determined in advance. Participants will be responsible for their own expense to and at the State Drill.

NATIONAL DRILL:

Using additional bonus speed points during the final drill, judges will select one youth to represent Kentucky in the National Youth Bible Drill Invitation sponsored by the Southeastern States Discipleship Training Leaders. Information on this event will be given later. The youth with the highest score from all judges will be declared the winner. An alternate will be selected in case the winner cannot attend the event.
