

Lincoln Association of Baptists

May 2023

“These men who have turned the world upside down have come here also,. . .”(Acts 17:6b, ESV)

Camp. Many of us have memories from a camp experience. Perhaps we made a public profession of faith at a Church Camp. Maybe we gave our first testimony around the campfire. We may have begun relationships with some of the best friends we would have in life from Camp. Perhaps God brought into our lives the spiritual

mentor we needed during Camp.

In June, hundreds of participants will have the spiritual experience of their lifetime at Camp Schafer. Beloved, will you add Camp Schafer to your church prayer lists? Will you begin praying for God to blanket Schafer June 19-23 (Children's) and June 25-30 (Youth)?

Your church may not send children or youth to Schafer, but about 20% of LAB Churches will attend. God will use these participants to serve in our LAB Churches years later. They will operate on leadership teams and be critical leaders within LAB Churches. We have seen this occur. Throughout the LAB, we see our churches sprinkled with lay leaders and ministers who experienced God at Camp Schafer and are serving Him faithfully. Additionally, the relationship the participants form with chaperones will grow into a strong mentor relationship for years.

In addition to placing The Camp on your prayer list, pray about serving as a chaperone and pray for those who will serve as chaperones. Pray about your small group writing encouraging notes to the 150-200 participants. Your notes of encouragement will be a blessing to

them as they are away from home and facing spiritual warfare.

The theme for this year's Camp is "Upside Down." I look forward to the participants turning their world upside down for Jesus upon completing their Camp Schafer experience. Thank you ahead of time for praying and supporting Camp Schafer!!

Office Update... On December 28, 2022 we came into a flooded office, due to a busted pipe in the ceiling. We are still currently under construction. Here are some pictures from the day it happened and pictures of the ongoing construction.
