

Lincoln Association of Baptists

July 2023

Beloved Lincoln Baptist Churches, I was honored to represent you in New York City, May 15-17. We visited four church planters and heard inspiring testimonials of God working among them.

Kentucky Baptist and these church planters are coming together for an efficient ministry to show God's love to their local communities. The theme is, "We Inspire NYC." We are participating with them in this encouraging ministry. "We Inspire NYC" will encourage church planters and teachers. I was amazed to see the relationships the planters had with the schools. Together, the planters and the schools were impacting the community!

"We Inspire NYC" will bless teachers and administrators. We can be a part of this blessing. We can give as the Lord leads to assist the church planters purchase totes for teachers. As the husband of a teacher, I can tell you this ministry will be a blessing to those teachers and administrators!!

Beloved, each tote will be about \$100. It will have a logo designed by one of the church planters. You can donate in memory or honor of a teacher who inspired you!

At the start of the 2023-2024 school year teachers will receive a back-to-school breakfast and a "We Inspire NYC" tote as a tangible way to demonstrate the love of God to these school leaders. If the Lord leads, I plan on returning to assist these planters in preparing and distributing these encouraging totes to the teachers. Beloved, join me in praying we can reach the 300 totes for teachers' goal.
