

Lincoln Association of Baptists

October 2023

The missions development team, Randy and Merrill, met with some pastors in February, and we began praying about this ministry. After July's Executive Board meeting, about 20-22 churches agreed to participate. I hope to have 30 before April.

The missions team will have monthly training opportunities for you. We will schedule these training opportunities as follows: October 19, November 9, and December 7. The October 19 training will be at the LAB. We will post the reminder on our Facebook page and website.

Ideally, I hope you can attend each one between now and April. These training opportunities will give you confidence in evangelism, discipleship making, and team building.

Following each training, we will work with pastors so you can apply immediately what you have learned from the training in the community. For example, following October 19, Ovensen Heights and Berean Baptist will host an outreach ministry so you can practice what you learned in training. We hope to be able to do this monthly, churches serving as a team of ambassadors for His glory.

We invite you to our next planning meeting **on Sunday, October 15, at 4:00**. If you can't make it in person, email me, and I will send you a Zoom link. We will have many meetings since trying to schedule over 20 churches for meetings to pray about this and discuss details will be challenging.
