

Why We Exist

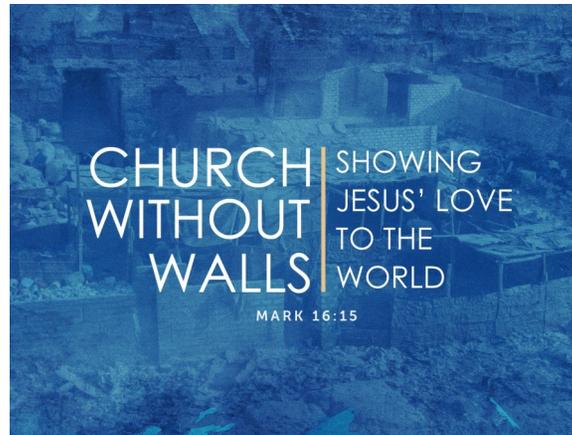

Lincoln Association of Baptists exists to assist churches in proclaiming the Gospel to the lost, equipping the Saints, and ministering to people in Christ's name. Churches located in Hardin and Larue counties serve in cooperation with each other to enhance fellowship, promote Biblical values and doctrine, and assist one another in accomplishing each church's respective mission.

As an Association:

- we can do together what no single church can do by herself. Together, we can serve the total geographic area when we serve in cooperation with each other.
- we serve together on local ministries, thus helping each other to accomplish common mission responsibilities. We teach and model cooperation when we serve together.
- we provide training and assist in developing church members by involving them in leadership and service responsibilities. The Association provides conferences, seminars, and training opportunities each year which enable church staff to develop believers, witness to the lost, and minister to the hurting.
- we provide pastors and staff the opportunities for fellowship. Through these fellowship times, church staff discovers that they are not alone in ministry. They learn that they can have a support system through the Association.

The vision of Lincoln Association of Baptists will be accomplished by:

1. promoting positive fellowship among the churches,
2. strengthening the oneness of our faith and practice,
3. encouraging our churches to participate in the work of the Association and denomination, and
4. helping churches do together what they cannot effectively do by themselves.

We are dependent on your financial stewardship. LAB does NOT receive Cooperative Program money. Your C.P. dollars go to KBC & SBC and their respective entities & ministries.

Meet the Association Missions Strategists

Dr. R. Shawn Edwards has come back to his beginnings in his service here, being born in Hardin County, though he spent most of his growing up years in Glasgow. At the age of eight, after witnessing his cousin's baptism, he realized his need for Christ. In November, 1967, he gave his heart and life to Christ. God called him into full-time Christian service years later while at WKU. He continued his education by getting his Masters of Divinity at Southern Baptist Theological Seminary and his Doctor of Ministry from Luther Rice Seminary.

During his ministry, Shawn has served as a full-time pastor in churches in West Virginia, North Carolina and Kentucky. He is honored to serve as the Associational Mission Strategist for the Lincoln Association of Baptist!
