Beloved, your church is one of fifty-two that compose the Lincoln Association Of Baptist. We are over 125 years old.

The LAB can enhance your church fellowship. We can assist your church with doctrinal concerns, polity matters, administrative needs, and conflict issues.

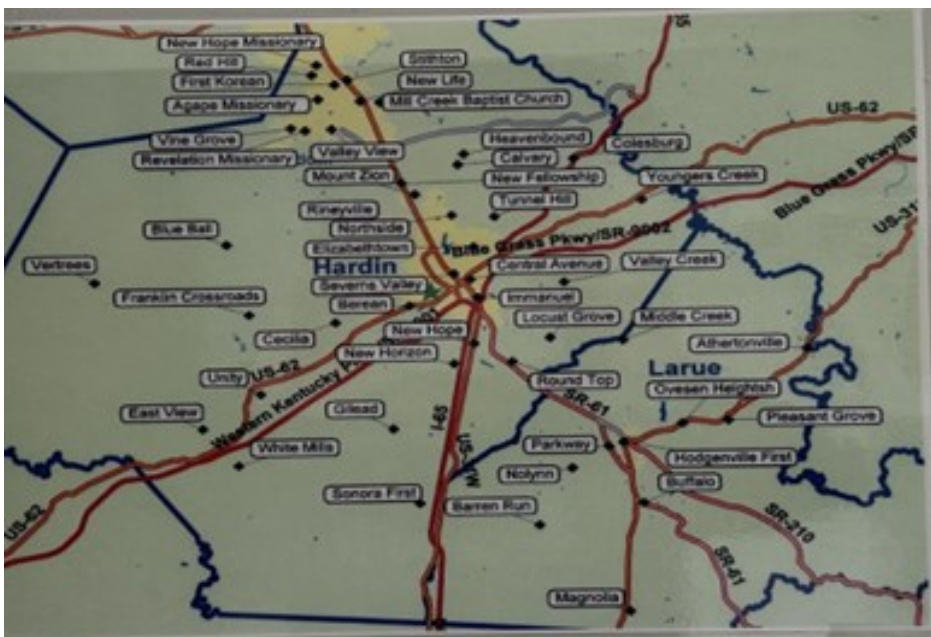

The LAB can assist your church in training disciples and exploring mission endeavors and church plant partnerships. The LAB can network on your behalf to find staff for your church.

LAB Churches can do more together through the association, which no one church can do by herself. LAB Churches can better serve our Lord and the communities of Hardin and LaRue together through the association.

Thank you for your financial support and participation in the LAB! Together with God, let us reach our association with the Gospel!
