Grandma Harris, My Mentor

“⁵For I am mindful of the sincere faith within you, which first dwelt in your grandmother Lois and your mother Eunice, and I am sure that it is in you as well. “(2 Timothy 1:5, NASB95)

“¹⁵ and that from childhood you have known the sacred writings which are able to give you the wisdom that leads to salvation through faith which is in Christ Jesus. “(2 Timothy 3:15, NASB95)

When I was a small child, so small that I don't remember it, my Grandmother Harris gave me an old white Bible to handle before I could even read. I don't know why she did it, but I guess she had her reasons.

Shortly before my grandfather turned 80, he gave me this Bible. I asked him why. He told me the story behind it, how my grandmother gave it to me to play with when I was a child. She wanted me to know about the Bible so that when I was old enough, I would know it was in it. He had kept it for over twenty-five years.

I picked it up and thumbed through its worn pages—thinking about a grandmother who would love a grandson so much to place in his tiny hands the Bible—so that, at an early age—I would begin to be familiar with the Word of God.

Timothy's mom and grandmother began teaching him about the Scripture early in his life. We can never start early enough to teach our children and grandchildren the Bible. No never.

We also know that one of the greatest benefits of reading the Bible is that it gives us the wisdom that leads us to be saved through our faith in Jesus Christ. My Grandma Harris knew this.

How are you spiritually preparing your children and grandchildren? What is your discipleship plan?
