I love this hymn!

"Count your blessings—name them one by one; count your blessings—see what God hath done."

It reminds me to reflect on what God has and is doing in my life. We need a gentle reminder from time to time of what God is doing.

Beloved, God has blessed us on a daily basis. How easy it is to take these basic blessings for granted. Yes, how easy it is to take ordinary blessings for granted. Think with me. We should be thankful for the rain God gives. We should be thankful for the gentle warmth of the sunshine, the purity of morning frost, the beauty of the changing leaves, the majesty of the twilight, the sparkling of the stars and the freshness of the morning. Yes, may we not take these daily blessings for granted.

Beyond these we should be thankful for other blessings God brings, such as Jesus Christ dying on the cross for our sins, the unexpected strength God gives us in the midst of a crisis, a new found Christian friendship, our fifty-two churches, and other God-given blessings. God gives us these blessings as His precious gifts to us. To Him be the glory!

Make a list of God's blessings in your life. Share this list with your friends and family.

*Count your blessings, name them one by one
Count your blessings, see what God hath done
Count your blessings, name them one by one
And it will surprise you what the Lord hath done. -*

With Thanksgiving,
Shawn
